

## **ACTION ALERT!**

**The CPA Advocacy Team has learned that the Senate Business and Professions Committee will hold a hearing on June 15th to consider the Governor's proposal to merge the Board of Psychology with the Board of Behavioral Sciences. We are opposed to the creation of an omnibus Mental Health Board, and *we need your help now!***

**Please go to our website at [www.cpapsych.org](http://www.cpapsych.org) to take action! A sample letter, fax numbers, and a legislative directory are easily accessible--a few minutes of your time will ensure that this issue gets the appropriate attention at the Committee hearing!**

**Please make your voice heard in Sacramento , and tell a colleague!**

**Thank you, as always, for your help in creating a strong grassroots message! It does make a difference!**

**Best regards,**

**Jo Linder-Crow, PhD  
Executive Director, CPA**
